Board Meetings on Public Television

Fenton Township board meetings are recorded for telecast on local public access TV. Charter Communications cable television subscribers can tune in to Channel 191 to watch a rebroadcast of the most recent Fenton Township board meeting.

Videos of past board meetings are also available to watch on the Fenton Area Community Television's YouTube channel.

For those who do not have access to **Channel 191**, you may view the board meetings on the Fenton Area Community Television's YouTube channel.
