Proposed Zoning Ordinance Amendment – Agricultural Tourism Facilities/2nd Reading

Supervisor Mathis reviewed a proposed Zoning Ordinance amendment to revise the definition of *Agricultural Tourism Facilities*, which was introduced at the 12/17/12 meeting. The proposed amendment was drafted in response to multiple inquiries from property owners regarding the use of agricultural properties for “barn weddings”, which are becoming increasingly popular. The amendment would list barn weddings and similar social events under the existing *Agricultural Tourism Facilities* definition, which requires a special use permit. Supervisor Mathis questioned if structures would have to be inspected for building code compliance before the special use permit is issued. Treasurer Tucker stated that safety would be one of the issues addressed as part of the special use permit process. Clerk Krug asked if this type of use might be better controlled through the Home Occupation process. After additional discussion the board agreed that the best approach is to adopt the amendment as is and address additional issues with future amendments.

Motion to adopt Ordinance No. 753, an amendment to Zoning Ordinance No. 594 to revise the definition of Agricultural Tourism Facilities, as presented.

UNFINISHED BUSINESS:

Former Frank’s Tavern Property

Supervisor Mathis stated that she would prefer not to burn the structure on the former Franks’ Tavern property as a fire department training exercise. She believes the neighboring properties are too close and there are too many unknowns regarding this property (possible existence of underground fuel or grease tanks, asbestos in structure, etc.) She suggested that the structure simply be demolished. The board agreed with this

NEW BUSINESS:

Supervisor Mathis stated that, in keeping with the past practices of the Township Board, a local road improvement public hearing needs to be scheduled for the 1/21/13 meeting. This hearing will give us the opportunity to accept citizen input regarding potential local road improvement projects prior to making any final decisions.
